Beijing

Shanshan Ren is a partner at Merits & Tree. Prior to joining M&T, Ms. Ren has worked in Kangda Law Firm and other domestic first-class litigation law firms for several years and has more than ten years of practical experience in various litigation, arbitration, and other dispute resolution areas, so that she can provide professional and high-quality legal services to clients. Ms. Ren has also won the honor of Benchmark Litigation China's Future Star.

Ms. Ren specializes in handling disputes related to the investment and financing of investment institutions, including but not limited to the withdrawal of direct investment repurchase, the request of the FOF to dissolve the liquidation fund, and disputes between the manager and the limited partners. She is good at handling disputes related to the investment and financing of listed companies, including those related to the original shareholders' investment, private placement, gambling related to investment and merger of listed companies, non-competition, related transactions, and disputes over the validity of resolutions.

Ms. Ren also specializes in handling disputes over the control rights of listed companies and other companies and is good at making solutions for clients by using commercial and legal integration thinking, including but not limited to disputes over exercising the proposal right, collecting voting rights, disputes over the validity of resolutions, disputes over the return of official seals and licenses, disputes over voting entrustment agreements and concerted action agreements, and disputes related to the illegal increase of voting rights.
